

The Everest Challenge

Kippure
Corporate & Events

**Exhilarating
Indoor Fun!**

Your team will face a series of lively group tasks and challenges while trying to beat your colleagues up the thrilling 3D image of the mighty Everest Mountain.

From the starting point of Everest Base Camp the teams will need to navigate a route through the puzzles, tasks and quizzes that the “Kippure Expedition Leader” sets them. Just like a huge board game, when you get enough points you get to move up a camp. If things don’t go so well, you must move down a camp!

This invigorating team building event is ideal for limited indoor space. It makes a wonderfully fun energizing activity and is designed with engagement, inspiration and motivation in mind.

*The competitiveness and physical make-up of your group will determine the challenge level. Possible tasks range from low-impact team games to professional athlete-level challenges!
