Wacky Races incorporates 3 stages...

Stage One

Compete against one another in a series of 6-8 challenges. The overall results will determine where each team will start along the Wacky Racetrack!

Stage Two

Work together to construct the Go-Kart and “splash” it with your own creative design at the onsite paint station.

Stage 3

Line your Go-Karts at your allocated start positions; at the flagman’s ‘Go!’ the competition begins. Teams make three to four laps around the track. With the completion of each lap, a new team player takes the driver’s seat.

We’ll present prizes to the Wacky Race champions, but everyone leaves a winner after having a hilariously thrilling time, sure to be remembered! (Framed photos of each team are also provided).
