**Kippure**  
Corporate & Events

**Re energise  
your team**

**Do your employees need a serious pick-me-up?  
Are you looking to break up a long day of meetings?**

Kippure Estate will come to you – your office, conference site or another convenient venue – and bring fun and energizing activities that promise to revitalize your colleagues. The team building tasks and challenges can be organised to fill one tot three hour breaks. Small groups rotate around a series of challenges that combine strategy and a healthy healthy dose of fun competition. Indoor tasks and puzzles will enable teams to gain points that will help them in the “winner takes all finale game”.

#### Sample Tasks:

- Tangrams -** Large geometric puzzles where teams must work together to make various shapes.
- Puzzle Zone -** Complete as many of the “hands-on” puzzles as you can in the time available.
- Blind Maze Table -** Teams must blind fold 4 people and they are the only ones who can touch the maze and the other team members must VERBALLY guide them to move the ball through the maze.
- Towers of Hanoi -** Teams must transfer the tower from the start to the end point but can only move one block at a time and cannot put a big block on a small block!
